A2575-5

API MONTHLY REPORT COVERING INVENTORIES OF NATURAL GAS LIQUIDS AND LIQUEFIED REFINERY GASES

A monthly publication which includes inventories of liquefied petroleum and liquefied refinery gases located at plants and refineries, and in underground storage, by areas, and by individual products.

October 1985

*Since the issuance of the inventories of natural gas liquids and liquefied refinery gases on November 27, 1985, the API has received several revisions from reporting companies. These revisions have had a significant impact on the propane inventories. Consequently, the API has revised the October 31, 1985 inventories.
